INTRODUCTION

**A blockchain-based P2E game,
immersing in the joy of fishing!**

Dory is a fishing game Easy to play, all you do is tap the screen with your fingers, experiencing exciting fishing while also receiving cryptocurrencies such as BNB and more, You can continuously upgrade your fishing rod and depth, allowing you to obtain more game resources and rewards.

HOW TO PLAY

Game Elements

Diamonds

Diamonds are precious gems that serve multiple purposes within the game.

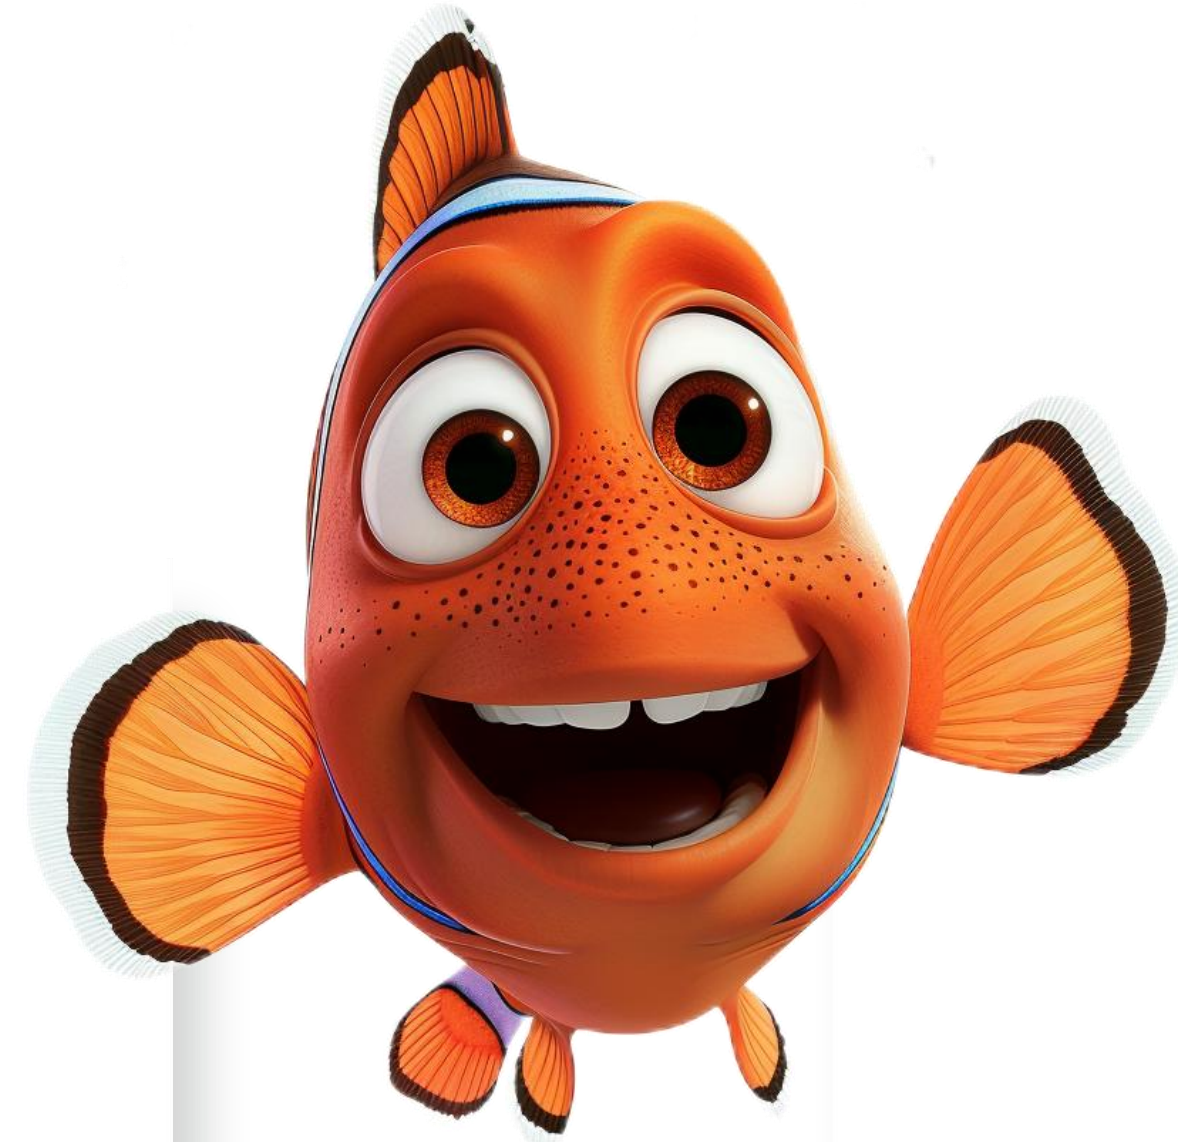

Use diamonds to upgrade your fishing hooks, purchase energy boosts, buy fish from the pond, and level up your VIP status.

Gold Coins (Dory)

Every catch in DORY results in the sale of fish for varying amounts of gold coins, known as Dory.

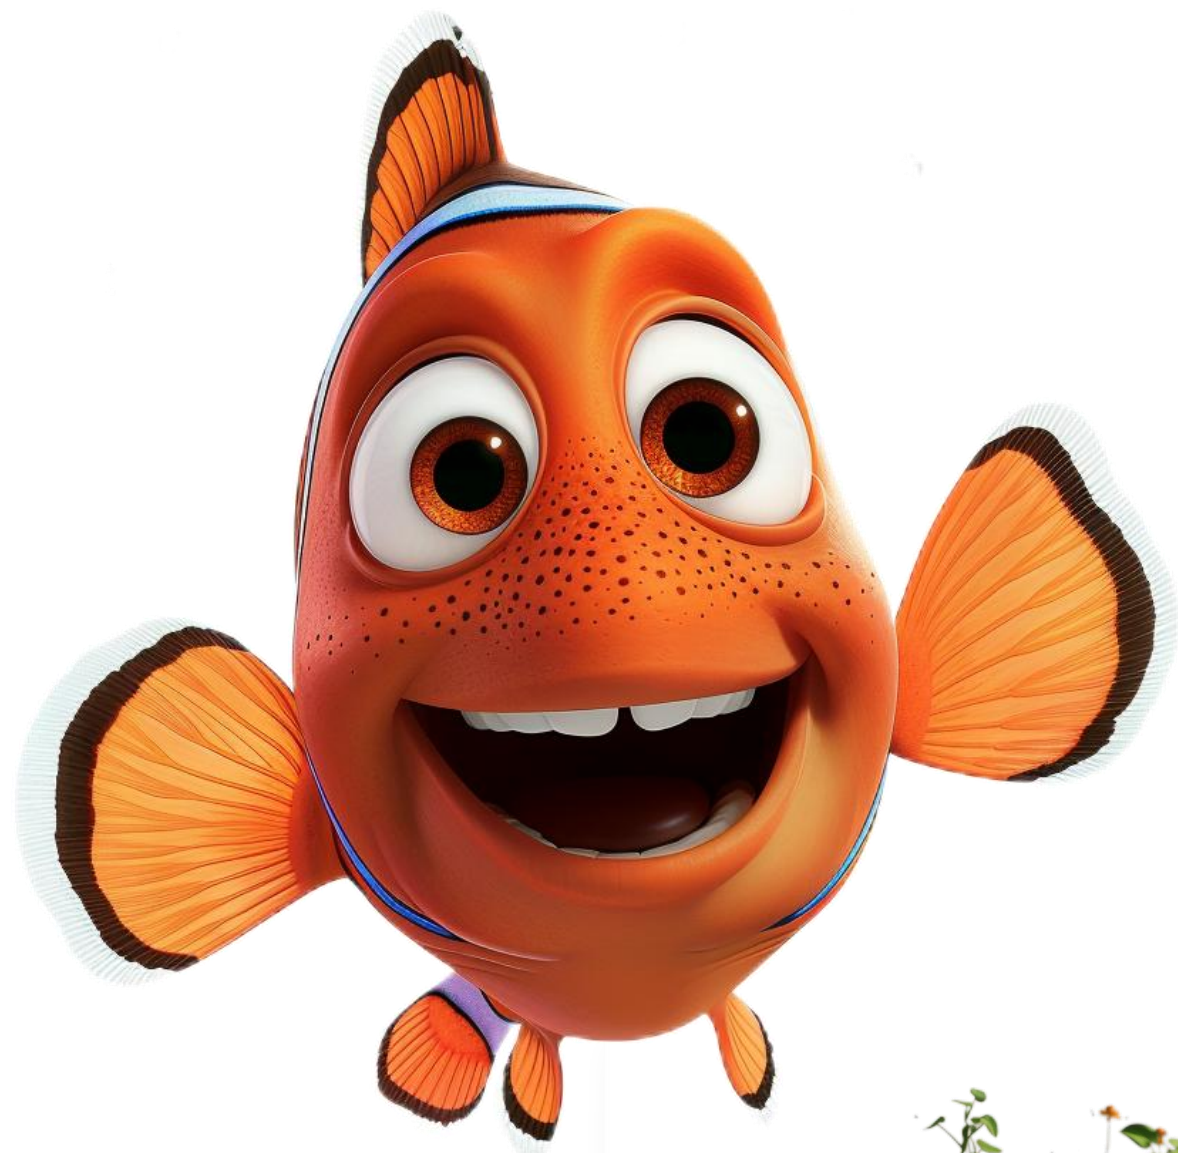

Utilize Dory to upgrade your fishing depth and maximum catch capacity, as well as to acquire fish from the pond.

Fishing Hooks (Hooks)

Upgrade your fishing hooks using diamonds to increase their capabilities.

Enhanced hooks enable you to reel in valuable treasures such as treasure chests and BNB tokens.

HOW TO PLAY

Game Elements

Pond

The pond allows players to engage in fish farming activities, generating either gold coins or BNB tokens based on different fish breeds and their respective output rates. Explore the option to "Buy Fish" from the pond, each fish offering unique prices and output rates.

VIP

VIP status grants exclusive benefits, including higher daily withdrawal ratios and increased bonuses on gold coin catches.

VIP

VIP is divided into three levels: VIP1, VIP2, and VIP3. Each VIP level is valid for 30 days and requires diamonds to obtain.

VIP levels provide a daily withdrawal ratio corresponding to the recharge amount, with expected payback periods of VIP1: 30 days, VIP2: 25 days, VIP3: 20 days.

Additionally, VIP levels provide bonuses on the gold coins caught, with bonuses of VIP1: 50%, VIP2: 100%, VIP3: 200%.

REFERRAL SYSTEM

Aside from the standard play-to-earn system, our team has been developing a multi-level marketing system that allows fishermen to refer Dory to a large number of anglers around the world.

Fishermen can create their own team using the Dory Referral System, and the more fishermen they recruit, the more fishing rewards they receive.

Direct Referral Reward

When a user successfully refers 1 user who recharges USDT to obtain VIP status and receives diamonds, the referrer will receive 5% of the recharge amount of the referred user as a reward.

Second-level Referral Reward

When a user successfully refers 5 recharge users, and at least 1 of these 5 users refers a recharge user, the referrer will receive 5% of the recharge amount of these 5 recharge users as a reward.

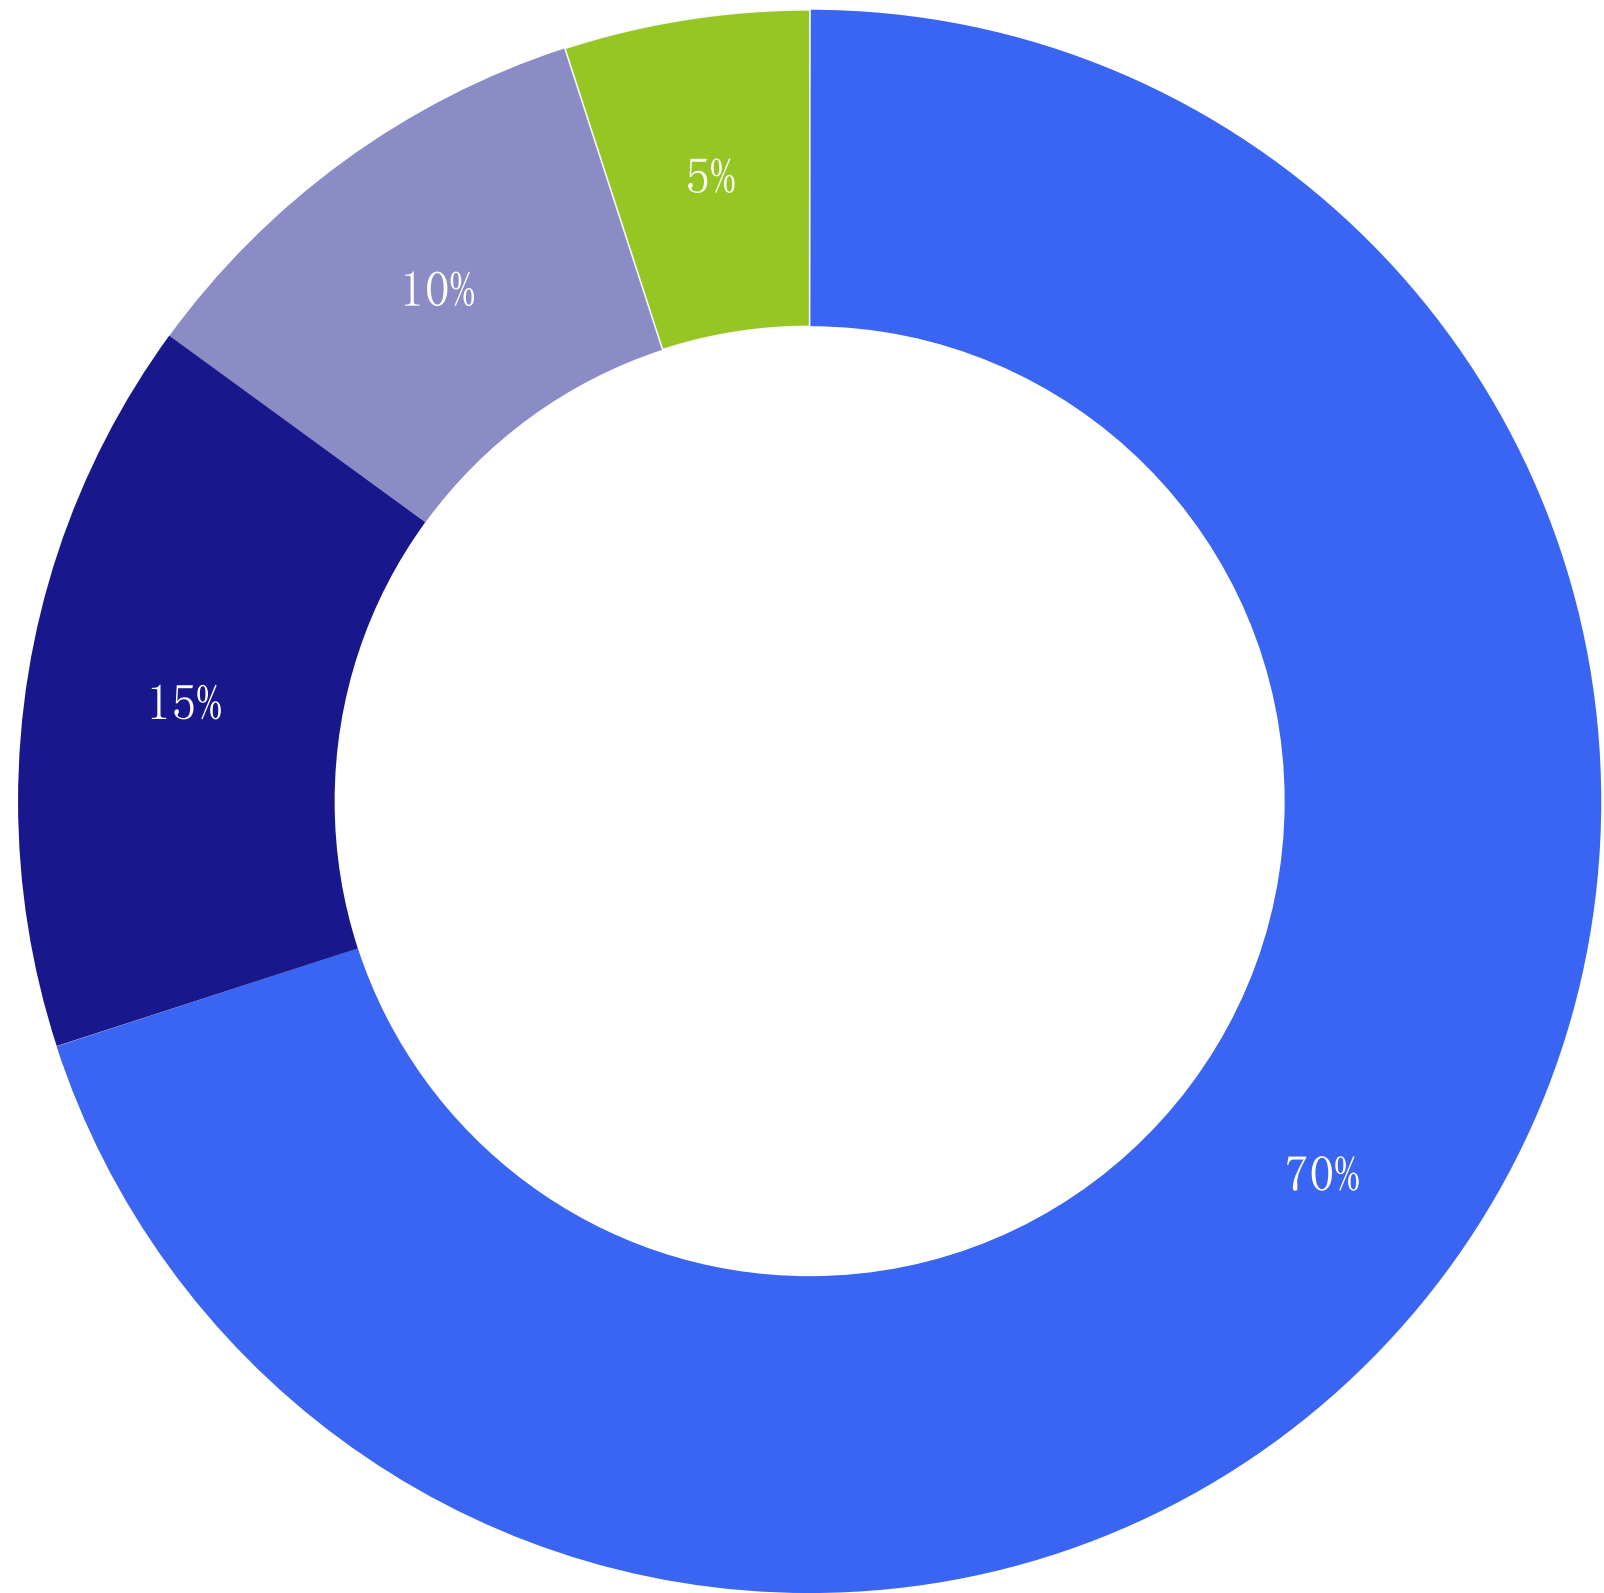

Third-level Referral Reward

When a user successfully refers 10 recharge users, and at least 1 of these 10 users refers a recharge user, the referrer will receive 5% of the recharge amount of these 10 recharge users as a reward.
